<hr/>	
Total	100%

There will be daily quizzes, lessons and homework assignments. Lessons are problems assigned and worked on during class. Collaboration on lessons and homework is allowed and even encouraged. However, in order to receive credit for an assigned problem, each student must individually, understand completely the solution to the assigned problem.

**Project**

**Professionalism & Ethics** Students and staff are expected to perform their work in a professional and ethical manner in accordance with guidelines set by Jimma University.
